

Food Waste Action Plan – Signatory assistance

With a Food Waste Action Plan developed, a key benefit of joining the Australian Food Pact is accessing assistance to support your journey and realise the benefits of food waste reduction.

The session will cover:

1. An overview of the types of assistance
2. How to access assistance
3. Calendar of activity

INDIVIDUAL

Regular internal review (suggest each quarter) of action and updates of engaging in Pact activity.

COLLABORATIVE

Access to signatory exclusive working groups to overcome common challenges in addressing food waste across the value chain.

TECHNICAL

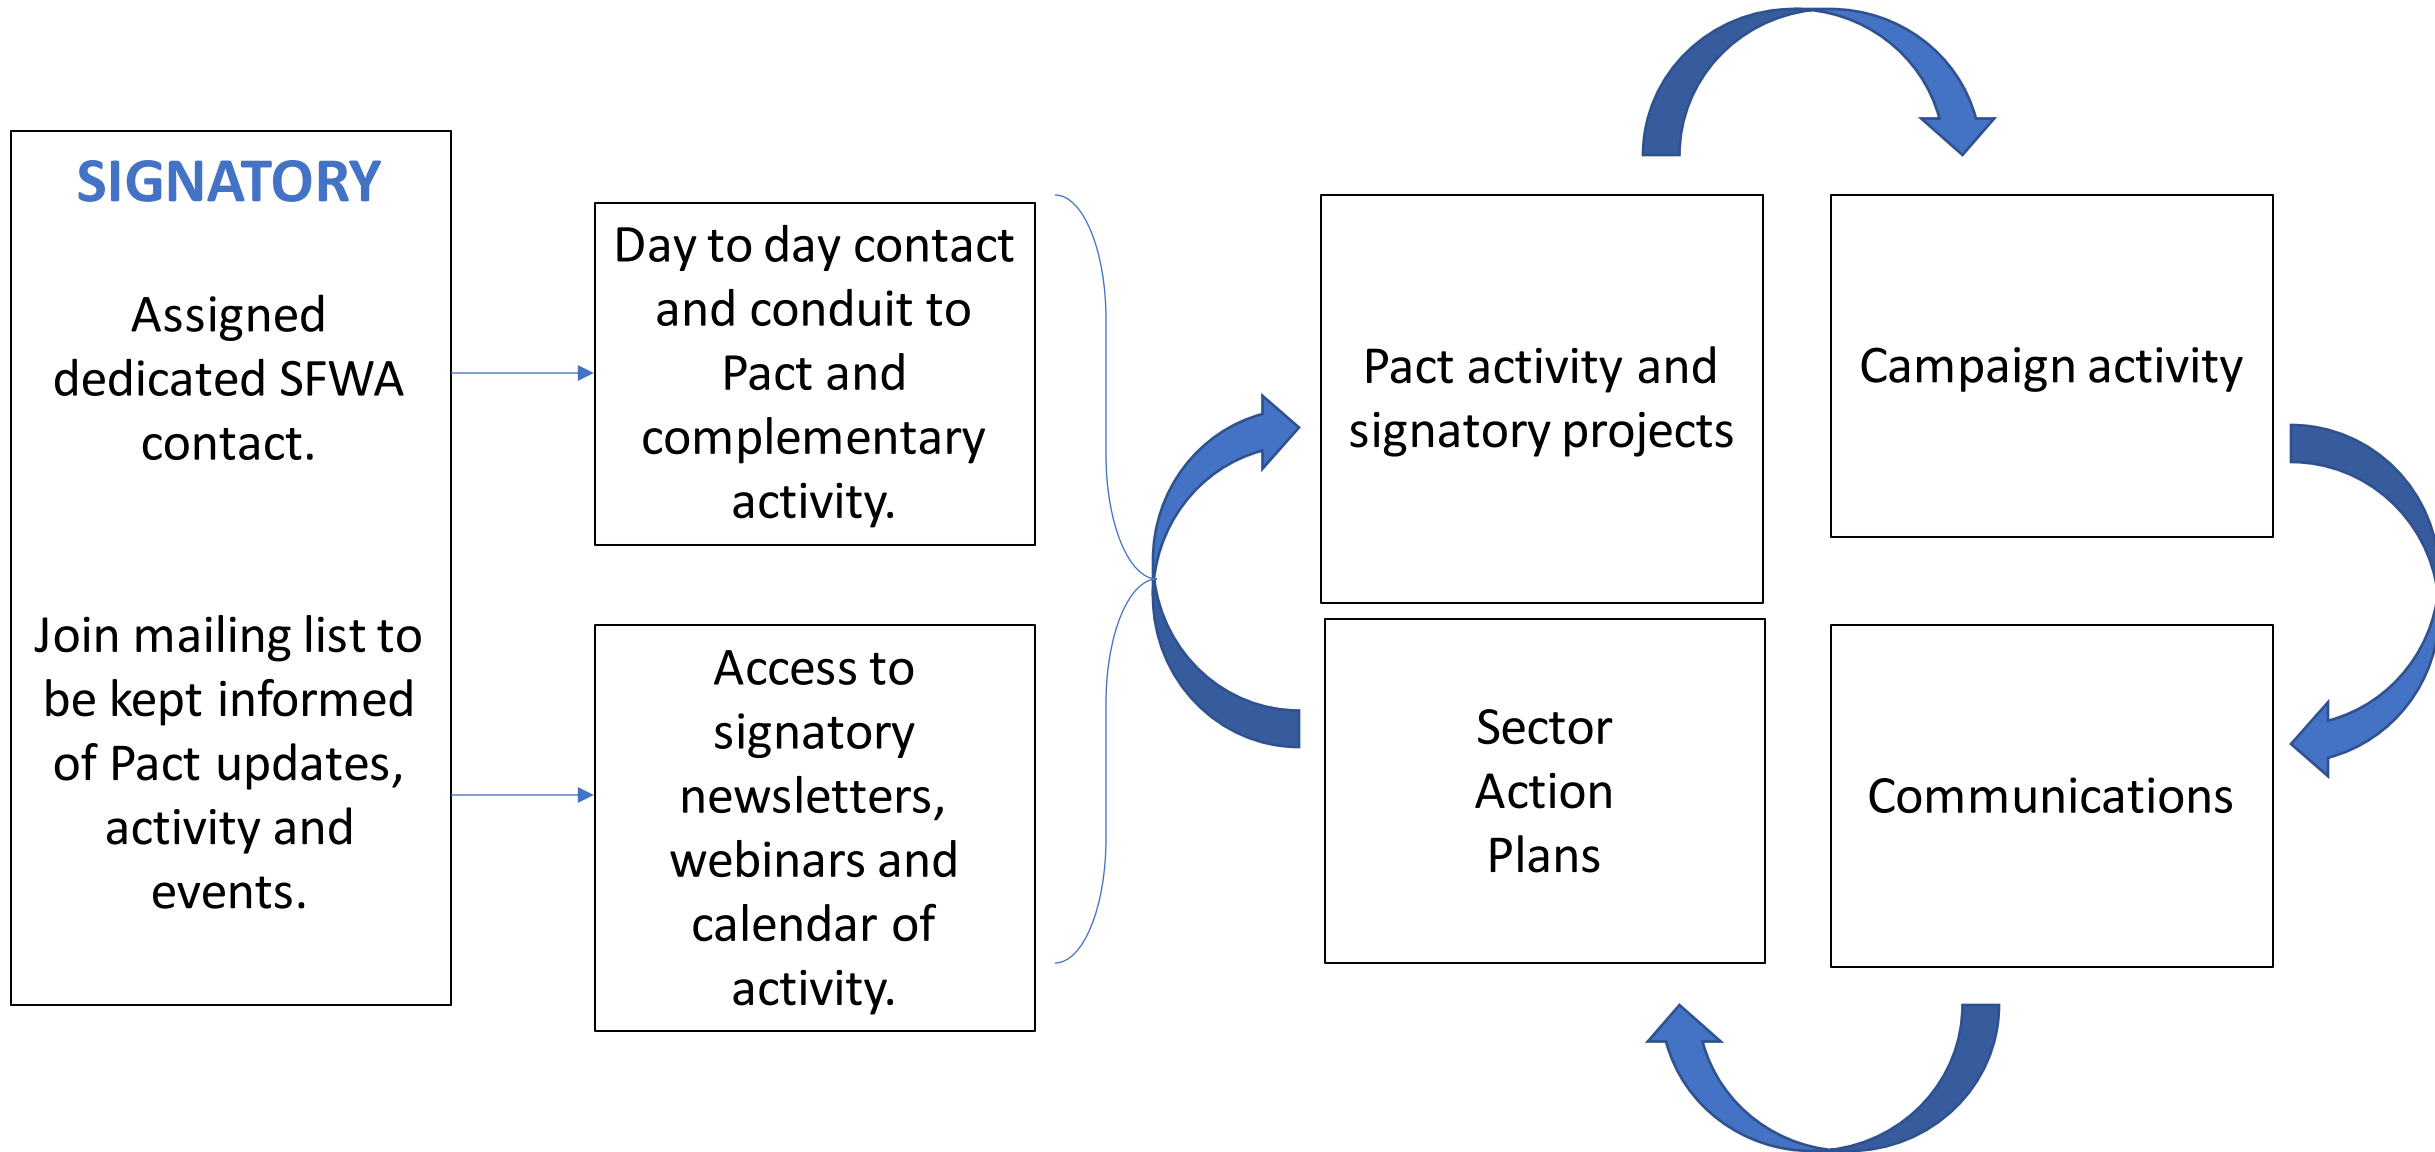

Access to food waste reduction guidance and assistance with adoption. Input and facilitation and working group activity. Link to Sector Action Plans.

NETWORKING

Organisation and facilitation of signatory exclusive events and collaborative activity.

PR

Promotion of the Pact and signatory developments and success stories. Case study content to inspire others. Link to campaign activity.
